• Update on Foodland Shop for Higher Education!

Right now we're in 7th place, but if we can move into 5th place, we will get (5) \$2,000 scholarships for our seniors, instead of 3! And it is possible, because 1) Last week we were actually in 6th Place (system reporting problem was corrected), 2) Kapaa dropped from #1 to #2, & last week to #4 (better for us),

3) Most of the top 5 schools have over 35,000 designations (except Kapaa)...so please ask friends & family across our state to shop & designate Kekaulike at Foodland, Sack N Save & Foodland Farms. Every little bit helps! ...every little Maika'i Point counts!

Remind friends & family to use their Maika'i Cards & designate Kekaulike! If you designated last year, you must designate again this year. SFHE program ends Tue, March 28, 2017...2 weeks remaining. THANK YOU!! **Seniors, see Mrs. Kovacic in F204 to get the Foodland's SFHE Scholarship application.** (Completed application is due to Mrs. Kovacic by March 28, 2017.)

Chuckle for the Day: Jeep Repair

It seemed that all our appliances had broken in the same week and repairs were straining our budget. So when I picked up the kids from school and our Jeep started making rattling sounds, I decided that rather than burden my husband, I'd deal with it.

I hadn't reckoned on my little tattletales, however. They rushed into the house with the news: "Daddy, the Jeep was breaking down, but Mom made the noise stop!"

Impressed, my husband asked, "How did you fix it?"

"I turned up the volume on the radio," I confessed.
