The sheets that were inserted into your student's folders to replace the older Student Internet Forms have the "**RS 17-0051, July 2016**" printed at the **bottom right hand corner of each page**. This is the OFFICIAL form that must be turned in (to the office) to be able to use HIDOE devices & services. Turn in only the 1 page form (not the 4 page guidelines). Be sure to have signatures of the student & at least one parent/guardian on the returned form. **Forms not returned will result in**

KKHS Google account suspensions.

To Students: An email reminder was sent to accounts that still needs the TRUF turned in. Please check your KKHS Google email account if you received one. If you need a copy of the form you may pick one up at the Administration office during non-instructional times.
