

Mini College Fair, Mon, April 10, During Lunch at King Kekaulike!

In addition to the Maui Island Spring 2017 College Fair, all of the Upcountry schools (public & private), were asked to host a Mini-College Fair during the day. It was too good an opportunity for our students, so our College & Career Counselor, Mrs. Jamie Kovacic, promptly responded YES! So far, 25 colleges have confirmed their attendance (see below).

Bell Schedule: Due to Good Friday (No School), next week is a 4-day bell schedule. Monday is a Thursday Schedule...thus, an extended 46 minute lunch. What an amazing opportunity for our students to meet with Universities from not only the United States, but Canada, Japan & Australia as well. We may have additional Universities added, but so far these fine institutions are confirmed:
