

Looking for a way to
encourage your students to
plan for their future?

It's fun for the students! • It's free
for your school! • It's a positive
experience for any student!

HELP YOUR STUDENTS SUCCEED

Selected UH Community College students are trained and available to present **interactive** and **motivational** workshops about college life where your students will:

- **Learn about the value of college education**
- **Discover that college is more accessible than they thought**
- **Talk about college life with current college students**

Choose one or both of the following workshops:

- Introductory Level: **College 101** - The Value of College
- Intermediate Level: **College 201** - Process & Programs
[How to Apply and Program Options]

Each workshop is available in a 60 or 90 minute format!

To arrange for a workshop,
