

Aloha,

King Kekaulike High School is proud to present the Senior Projects for the Class of 2017. These projects are mandatory components for their senior classes. Each senior is asked to choose a topic and produce a paper, product, portfolio, and presentation to showcase their academic capabilities. Students have selected a wide variety of topics, some of which include fishing, fashion design, tattooing, renewable energy, surfing, hunting, performing arts, music, video production, cooking, and more.

Community volunteers are invited to sit in and judge these presentations on March 17, 2017 on the KKHS campus. It is not necessary for volunteer judges to stay for all presentations. The time you contribute to these seniors is greatly appreciated.
