- ❖ **Layman Hicks Assembly, Tue, Jan. 20, 2017 During Period 7:**

Last summer 3 students & our Student Activities Coordinator attended a state-wide Student Leadership Conference on Oahu. Aside from the breakout sessions & team building activities, they had the opportunity to listen to the guest speaker, Layman Hicks. He will speak to some our student body in January.

Here are the responses of the 3 students' who heard him:

"Layman Hicks inspired me to take pride in what I do, & that when life brings you down, to get

back up. Also, greatness comes to people that get up, get out, and go get. If you want to be successful, don't surround yourselves with negative people. Lastly, all your peers are watching you, so be careful about what you post on social media because it might come back to haunt you. His words moved not only me, but the 400+ student leaders that attended SLC."

"Layman Hicks was my highlight of the Student Leadership Conference. He was so inspirational in his words. However, I never felt like he was lecturing me. He incorporated humor into his message. He talks about getting up and doing what you want to do. He really helped me realize that if I want to do something I can make it happen myself, instead of waiting for it to come to me."

"At SLC, Laymon Hicks inspired me to be the best person that I can be. He talked about how you have to do things yourself: to get up, get out and go get it. He talked about how you can't be lazy and that if you want something you need to do it yourself and not wait for it to come for you. He inspired me to be more than what I am, to strive for more and excel in life. Laymon Hicks is very humorous and gets you very engage in his lecture. His speeches aren't boring and he makes you realize that your life is important, that you're important. "
