• **NROTC Scholarship for Juniors!** <https://goo.gl/JRkxvh>

The **NROTC scholarship is an \$180,000 scholarship** awarded to individuals planning to attend a university & also interested in military service as a commissioned officer. Students are able to attend the college of their choice as long as it offers an Navy ROTC program. There is no military obligation to apply & it is free of charge. The 4 year military officer obligation only becomes mandatory after the scholarship recipient has begun their sophomore year of college, essentially making freshman year a free trial period. Due to the competitive nature of the scholarship, applicants have to meet certain requirements:

- U.S. citizen
- Medically & physically qualified by Navy/Marine Corps standards
- Score above 74 on the ASVAB, 1000 (Math & Verbal) on the SAT, or 22 on the ACT

- There are additional ways to be more competitive such as community service, participation in sports, leadership in school & the community, etc.

Applicants must fill out the online application at [www.nrotc.navy.mil](http://www.nrotc.navy.mil) & will then receive assistance from the nearest recruiter in order to do physical fitness tests & schedule interviews with officers.

**For the Class of 2018**, the online application **opens on April 1, 2017 & will close January 31, 2018**. It is recommended that students begin the process as early as possible to give themselves a better opportunity as there are two selection boards. Missing the first board or not being selected could allow an applicant to be better prepared for selection on the second board. I am the only Marine recruiter on Maui & can be contacted via email at [Ignacio.reyes@marines.usmc.mil](mailto:Ignacio.reyes@marines.usmc.mil) or by phone at **808-871-1813**. My office is in Kaahumanu Mall by the walkway above the children's playground. Appointments generally are not needed but will ensure that I am in office as I may be visiting parents of Marine applicants or at schools. I will always work to answer any questions you have & am willing to speak about the scholarship to students at school in a class setting. Thank you for your time.

### **Chuckle for the Day: Senior Breakfast**

We went to breakfast at a restaurant where the "seniors' special" was two eggs, bacon, hash browns and toast for \$1.99.

"Sounds good," my wife said. "But I don't want the eggs."

"Then I'll have to charge you two dollars and forty-nine cents because you're ordering a la carte," the waitress warned her.

"You mean I'd have to pay for not taking the eggs?" My wife asked incredulously. "I'll take the special."

"How do you want your eggs?"

"Raw and in the shell," my wife replied. She took the two eggs home.
