• **Nominations 2017 King Kekaulike High School Alumni of the Year.**

This award was started by Class of 2014 student, Joebelle Bonete, who wanted a way of memorializing the achievements of alumni & sharing it with the Kekaulike community through an annual award. Yearly awards already exist for a Kekaulike Teacher of the Year, Class of the Year, and Student of the Year and an Alumni of the Year award seemed only natural. Bonete took on the award as her senior project & laid the foundational components for the award, which focuses on recognizing individuals who have demonstrated unique accomplishments following graduation from Kekaulike. Her hope was that the Alumni of the Year would not only inspire up & coming students to think big in what they can accomplish in their future, but also showcase the value of a Kekaulike education.

For more information, go to <http://kkhsalumni.org/> Nominations are being accepted until **Fri, April 21, 2017**. Please nominate online at <http://kkhsalumni.org/nominations-being-accepted-for-2017-alumni-of-the-year/> (This is sponsored by the King Kekaulike High School Alumni Association, & not the Dept. of Education.)

Chuckle for the Day: Language

While teaching Shakespeare's 'As You Like It' to my freshman English class at the University. I was reminded how much of our common language is shaped by writers.

"I can't see why everyone thinks Shakespeare is such a great writer," commented one student, "His plays are full of cliches."
