Kekaulike HS will be engaging in a "WASC" visit Mon-Th, April 3-6. WASC is the organization that provides our accreditation status. Being "accredited" is like receiving a

stamp of approval that we have met a certain standard of excellence. Every school in Hawaii now participates in this in-depth review of the school which is a valuable process for school improvement. A committee of 6 educators volunteer their time to study our report before coming to the school & then spend 4 days at the school.

We'd like to say "thank you" for their time with a goodie bag of "Made in Maui" products! If you can make a donation, please contact Cindy Kochi, Curriculum Coordinator, at 727-3529 or [cindy\\_kochi-asato@notes.k12.hi.us](mailto:cindy_kochi-asato@notes.k12.hi.us). We would like items received by Tue, March 28. Thank you!

### **Chuckle for the Day: Arm Pain**

Following a major hurricane, my husband worked long hours clearing the jumble of trees that littered our property. The longer he worked, however, the more painful it became for him to move his right arm. He ignore my pleas to see the doctor until one night he yelped, "Ow! This is getting serious."

As I turned to him in concern, he added, "Now it hurts to push buttons on the remote control!"
